

**MY FIRST KISS**

"I was 13 and it was terrible. I think I still have a scar on my lip from it! The relationship lasted around a week."

Laura headed for LA!

**HOLLYWOOD**

**MY LATEST SPLURGE**

"£800 on a flight to LA. My boyfriend, Danny O'Reilly, is in a band called The Coronas and they're recording an album there. The whole trip was a bit last minute!"

**MY FAVOURITE FANCY DRESS OUTFIT**

"My friends threw me a surprise party for my birthday last year. It was *Alice In Wonderland* themed and they dressed me as Alice. I had a bow in my hair, an apron and knee-high socks."

# Laura Whitmore

## my FABULOUS life

The new I'M A CELEB! spin-off host, 26, on bad kisses and THE HOFF

**MY BEST EVER FREEBIE**

"A pair of black Jimmy Choos with a diamanté heel. I was initially lent them for a premiere, but I was allowed to keep them. They were my first pair of designer shoes and I can wear them with everything."

**MY MOST FABULOUS OUTFIT**

"A one-off black dress I wore to the Brits last year. It had big shoulders and a tight waist. I bought it from a pop-up shop in Camden for £70 and added a ribbon to it. I knew I'd be sharing the red carpet with Lady Gaga so I had to look good!"

**MY SECRET CELEBRITY CRUSH**

"David Hasselhoff. I was more excited about meeting him than I was when I met Justin Timberlake or P Diddy! I think it's because I loved *Knight Rider* and *Baywatch* when I was growing up."

**THE SMELL THAT MAKES ME FEEL LIKE A KID AGAIN**

"Cupcakes. They remind me of birthday parties when I was little. I love baking - I take what I make to work."

**MY MIRACLE BEAUTY BUY**

"Mac Russian Red Lipstick, £13.50 [right]. When I'm going out, I just put it on and I'm ready. And black Rimmel eyeliner pencils - I've used them since I was 13!"

**MY HANGOVER CURE**  
"Water before bed. I keep bottles ready in my room."

● We caught up with Laura at the opening of Republic's Westfield Stratford City store. I'm A Celebrity! starts tomorrow.
